

How to: AG Nachhaltigkeit WhatsApp Community

The [AG Nachhaltigkeit WhatsApp Community](#) comprises the “Announcements” channel as well as 12 different group chats. It can be difficult to know which chat is for what. This explanation seeks to remedy this.

Announcements

If you are part of any chat in the AG Nachhaltigkeit Community, you are automatically part of the “Announcements” channel. Only Community Admins can send messages in this channel. Important information regarding the AG Nachhaltigkeit (like events and meeting times), as well as sustainability-related news, which are relevant to the AG Nachhaltigkeit community, will be shared here.

[AG Nachhaltigkeit Community](#)

This chat is open for anyone to write in and is meant as a space for community members to share and connect. If you have any relevant sustainability-news don't hesitate to share it in this chat.

[Board AG Nachhaltigkeit](#)

This chat is only open to AG Nachhaltigkeit Board members. It is used to schedule meetings, exchange information, gather feedback and liaise with various committees. The chat may be closed but Board Meetings can be attended by anyone and will be announced in the Announcements channel, so feel free to join! You can find more information regarding the AG Nachhaltigkeit Board [here](#).

[AG Nachhaltigkeit Event-Team](#)

This is the chat which is used to plan the Community Events taking place monthly during the semester. If you are interested in helping to organize these events, feel free to join!

[Social Media Team AG Nachhaltigkeit](#)

If you are interested in creating content for and/or managing the AG Nachhaltigkeit's Instagram page, join this chat!
